Beacon House Announces Adopt-the-Beacon House Campaign for 2010

Green Bay, WI – January 30, 2010 – Beacon House, Inc., a healing resource center located in downtown Green Bay, released a statement today announcing its “2010 Adopt-the-Beacon House” campaign to support their operations at 430 S. Webster Ave. Beacon House guides, informs and provides services that leads our participants to joyful living. Beacon House is a place for healing *any* life altering event: emotionally, physically, or spiritually. We assist participants to move from surviving to living life at its fullest. The donations from the “Adopt-the-Beacon-House” campaign supplement the program-specific funding received through grants, program fees, and special donations. This campaign will provide a source of funding that is mission based from private donors, corporations, and other organizations.

The goal of \$3,300 per month from sponsors helps Beacon House to maintain the current program flow and operations, including rent, utilities, programming, marketing, office expenses, and salary. Gifts will range from \$250 for one week’s rent to \$1,575 for one month’s staffing and utilities to \$3,300 for one month’s operating expenses. Beacon House has received a leadership grant for the month of January from Robert and Leslie Shade as well as several anonymous donations for the month of February.

Beacon House acknowledges all gifts on a special donor board displayed at Beacon House and at events throughout the year. Memorials, honorariums and bequests may commemorate families, a group, organizations, a loved one or significant event. To choose a month and support the Beacon House in this campaign, please contact us at 676-1146.
